RECEIVED BY BPA FOIA OFFICE THIS DATE: 5.24.10 DUE DATE: 6.21.10 LOG # BPA-2010-01462-F

The following is a New FOIA request:

Name: Leslie Stewart Bell
Organization: Another Way BPA
Address:
Phone: Ex 6
FAX: none
Email:

Description of Request: Pursuant to the Freedom of Information Act, I request the following: If segment 52 and the crossing from Camas to Troutdale is given per BPA's current plans, I believe that BPA has done considerable preliminary work on this part of the project. I ask BPA to provide the initial and all revisions of the following data: LIDAR printouts with proposed overlays. Include the complete Hardshell, with both top and side views of all options being considered. Rebuilding of lines, FAA restrictions, distances from existing buildings (homes, offices etc.), properties which will be required to grant additional easements, properties that will be condemned, impact to Camas/Washougal city wells and equipment and the environmental impacts this project will have on the Washougal River.
Preferred format: soft copy, PDF or Docx

Type of Requester: Personal

I request a fee Waiver

I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:

As a board member of Another Way BPA representing the citizens of Clark and Cowlitz Counties, we need this information to understand how Segment 52 is impacted. The information is also needed to share with our all our members, most specifically to those on Segment 52.

I request a waiver or reduction of fees because the disclosure is "likely to contribute" to an understanding of government operations or activities as explained below:

The information requested for disclosure will contribute to the understanding of the design and activities of BPA in regards to the I-5 Corridor project.

I request a waiver or reduction of fees because an understanding by the general public of the subject is likely to result from disclosure, taking into account my ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter as explained below:

The relevant data will help the citizens understand BPA's planning process assumptions and analysis. Some of this information could be disseminated through the various groups websites.

I request a waiver or reduction of fees because the disclosure is likely to contribute "significantly" to public understanding of government operations or activities as explained below:

The relevant data will help the citizens understand BPA's planning process assumptions and analysis. Some of this information could be disseminated through the various groups websites.

I request a waiver or reduction of fees because of a commercial interest that would be furthered by the requested disclosure, and, if so:

no commercial interest

I request a waiver or reduction of fees because the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." as explained below:

no commercial interest
